

NEWSLETTER – AUTUMN/WINTER 2015

Welcome to our latest newsletter, which we have designed to keep you informed about our products and services and to share with you some of the transformations we have made to customers' homes in the local area.

We are the premier supplier of replacement doors and windows in the area with a dedicated and skilled team so now the evenings have turned cooler it is the ideal time to consider updating your doors and windows in time to keep in the heat with winter nearly upon us.

With a large percentage of our business coming from recommendations, if you are not thinking about replacing any of your doors or windows at the moment, perhaps you would recommend us to your friends and family.

We aim to install orders placed prior to the end of October in time for Christmas!

If you have not yet visited our showroom why not pop in to see our display, which includes a variety of doors and windows in a range of colours, with various glass designs and furniture options. We have also added a seating area so you can enjoy your visit in comfort. We look forward to seeing you!

f Alternatively, you can see a wide range of doors and windows on our new Facebook page which will be regularly updated with photographs of work that we are doing so 'like' the page to see what we are up to www.facebook.com/sussexandsurreydoorsandwindows

t We have just started to use Twitter too so if you would like to send us a tweet to say hi you will find us at https://twitter.com/sussex_surrey

The next step is to update our website over the next few weeks so keep an eye out for the improvements that we will be making at <http://www.sussexsurrey.com/>

"Thank you so much for all your hard work fitting our windows. It has been a delight to have you around and we are thrilled with the end result. Thank you again."

MR AND MRS KING, WARNHAM

"Firstly may I say how delighted I am with the replacement windows and door and the team that installed them. The windows are first rate and the team were so friendly and professional and left the house spotless, even though they had to work in torrential rain."
